General Program Guidelines:

- Rebates are available to residential and commercial Concord water customers. Applicant must be the owner of the property listed on the rebate application.
- The rebate offer is on a first-come, first-serve basis and is effective until funding is exhausted or the program is discontinued.
- Applicant certifies that the property listed on the application was built before March 1, 1989.
- Old toilets cannot be reused.
- New construction projects and remodeling projects requiring a building permit do not qualify for rebates.
- Commercial customers replacing more than three (3) toilets shall contact Concord Public Works (CPW) prior to purchase.
- Applicant agrees and understands that CPW does not guarantee that the installation of a high efficiency toilet or a low-flow toilet will result in water savings, as site-specific water consumption varies.
- CPW does not warrant, endorse, or assume liability for the quality, performance, or safety of the contractor and/or retailer or wholesaler, or performance of any appliance or fixture. Acceptance of materials used is solely the applicant's.
- Applicant agrees to hold harmless CPW, its commissioners and employees against loss, damage, expense and liability resulting from the loss, destruction or damage to property arising out of or in any way connected with the installation of a toilet.
- Applicant agrees and understands that the program may be discontinued and/or the rebate dollar amounts may be changed due to the actions of the Concord Public Works Commission or the exhaustion of program funding, at any time, without further notification to customers possessing outstanding applications.
- Applicant agrees and understands that CPW or its representatives reserve the right to inspect the installation of the fixture before or after the rebate credit is applied to the applicant's water bill.
- An original unaltered dated sales receipt, listing the make and model numbers, **MUST** accompany this application.
- Applicant understands that CPW may withhold rebate until any or all of the above listed conditions are met.
- Applicant may “donate” rebate to an organization participating in the Community Conservation Challenge. Make sure you check the applicable box on page 1.

For a limited time only, rebate amounts will be doubled. Toilets must have been purchased on or after March 1, 2008 to be eligible for a double rebate. Offer subject to the availability of funds.

High Efficiency Toilet (HET – max 1.28 gal/flush) Program Guidelines:

- Applicant is responsible for verifying that the unit is on the UNAR-qualified toilet fixture list which can be downloaded from CPW's website at www.concordma.gov.
- **Make sure you purchase the exact make and model # indicated on the list.**
- Applicant certifies that the toilets being replaced are not low-flow models (1.6 gallons per flush).
- Application must be postmarked within 90 days of purchase date.

Low-Flow Toilet (max 1.6 gal/flush) Program Guidelines:

- Applicant is responsible for verifying that the unit is on the UNAR-qualified toilet fixture list which can be downloaded from CPW's website at www.concordma.gov.
- **Make sure you purchase the exact make and model # indicated on the list.**
- Applicant certifies that the toilets being replaced are not low-flow models (1.6 gallons per flush).
